Brandywine Counseling & Community Services

Change is good.

**A source of mental health
treatment you can trust!**

Anchor Program

Growing to meet the complex behavioral healthcare needs of our community, BCCS is now offering professional services for adults who are experiencing mental health illness or mental health and substance abuse issues. We call it our **Anchor Program**.

- Short-term counseling
- Treatment for mental health concerns such as but not limited to:
 - Anxiety, Depression, and OCD
 - Substance abuse
 - Eating Disorders
- Or perhaps, you just need someone to listen to you

Located conveniently at
2500 West 4th Street, Suite 1
Wilmington, DE, 19805

BCCS works with Medicaid
and other insurance providers.
