RISE

PROJECT RISE IS A COMPREHENSIVE
MULTI-INTERVENTION PROGRAM THAT AIMS TO
IMPROVE THE OVERALL HEALTH AND WELL-BEING
OF ADOLESCENTS AND THEIR CAREGIVERS
THROUGHOUT THE STATE OF DELAWARE

RISE

RESILIENCY, INDEPENDENCE, SUCCESS, and EMPOWERMENT

RISE offers many different options for adolescents and their caregivers. Our services include Substance Abuse and Mental Health Treatment, Education, Advocacy, and Prevention.

WE ARE HERE TO HELP

The RISE program is designed to provide immediate help to adolescents and caregivers facing the following challenges:

- | | |
|------------------------------|-------------------------|
| Aggressive Behavior | Identity Problems |
| Anger/Rage Episodes | Low Motivation |
| Anxiety | Runaway Episodes |
| Criminal Justice Involvement | School Problems/Truancy |
| Defiant Behavior | Self-Mutilation |
| Depression | Severe Family Conflict |
| Domestic Violence | Sexual Abuse/Assault |
| Drug/Alcohol Use | |
| Grief, Loss or Abandonment | |

If you, or someone you know, suffers from any of these challenges, the RISE program is here to help! For more than 25 years, Brandywine Counseling & Community Services (BCCS) has been a premier behavioral health and treatment provider for Delaware. We are a trusted and accessible community resource.

The RISE program provides a client centered treatment plan based on the individual's strengths and goals with access to licensed professionals 24 hours a day, 7 days a week.

RISE offers a range of integrated options, delivered seamlessly by one agency.

“Let no one say, and say it to your shame, that all was beauty here, until you came.”
- Val Lewton

At Project RISE, we believe that everyone who comes through our doors will leave with a restored sense of hope and direction; a new found purpose, and in the process of engaging in this program, you will learn how to respect yourselves and others, in order to ensure that things are greater after interaction with you.

Reach Out and RISE

For all Community Providers — Brandywine Counseling and Community Services has created Project RISE to give you access to a statewide support program for at-risk adolescents.

Services

Commonly Asked Questions

Who would benefit from Project RISE?

RISE is appropriate for all genders, ages 10-18 and their caregivers.

What does the program promote?

Treatment Sessions promote abstinence, positive social activities and enhanced relationships with peers and families.

What takes place during Caregiver sessions?

Caregiver sessions encourage participation in the recovery process, and will empower positive parenting techniques and skills.

Who do the clients have access to?

All adolescents in this program have access to a psychiatrist or psychiatric nurse practitioner.

How do I pay for this service?

Many insurance providers cover these services.
